

■ **GRAND RIVER HOSPITAL AND ST. MARY'S GENERAL HOSPITAL** ■
Kitchener, Ontario

Grand River Hospital and St. Mary's General Hospital are currently recruiting for a Locum Infectious Diseases Physician in Kitchener, ON between March 2020 to December 2020 (or a portion of this time period).

The Hospitals www.grhosp.on.ca and www.smgh.ca

Grand River Hospital and St. Mary's General Hospital are two separately governed hospitals that function as an integrated system with well-defined and complementary clinical programs to serve both the local community and the region. Each hospital has acute care ED services with patient volumes reaching approximately 55,000 visits/annum. St. Mary's General Hospital is a Regional Cardiac Care Centre and a Centre of Excellence for Respiratory and Thoracic Care. Grand River Hospital hosts several regional programs including the Grand River Regional Cancer Centre, Hepatobiliary Surgery, and stroke, renal, pediatric and mental health programs.

The internal medicine program is represented by specialists in cardiology, critical care, endocrinology, gastroenterology, general internal medicine, geriatrics, hematology, infectious diseases, medical oncology, nephrology, respirology. Additionally, there is diagnostic imaging support with access to interventional DI.

The hospitals are seeking an infectious diseases locum physician who will work with two other consultants to provide inpatient consults for patients at both hospitals, with a wide range of medical and surgical infectious diseases issues. ID call coverage is provided from Mondays-Fridays, and the successful candidate would usually be on call for one week at a time (1 week on, 2 weeks off), unless otherwise arranged. No weekend call coverage or outpatient clinic duties are required, and there are no internal medicine call responsibilities. If interested in outpatient clinic opportunities that can be arranged. The locum position is fee-for service.

Candidates must possess or be able to obtain an unrestricted license to practice medicine in Ontario with the College of Physicians and Surgeons of Ontario, and must hold certification in Infectious Diseases by the Royal College of Physicians and Surgeons of Canada.

Interested candidates are invited to inquire about this opportunity by sending their curriculum vitae by email to the attention of Tanja Cvijetic, Medical Affairs Coordinator, tanja.cvijetic@grhosp.on.ca.

We thank all applicants for their submissions. All qualified physicians are invited to apply. However, only candidates felt most appropriate for the position will be selected for interviews.
