

AMMI Canada – CACMID Annual Conference • Conférence annuelle

Delta Prince Edward and Prince Edward Island Convention Centre
April 16 – 18 avril

Dear Potential Exhibitor

AMMI Canada and CACMID would like to invite you to participate in the AMMI Canada – CACMID Annual Conference 2015, to be held in Charlottetown, PEI April 16 -18 at the Prince Edward Island Convention Centre.

The 2015 Annual Conference program is designed to address the needs of health care professionals specializing in the areas of clinical and medical microbiology and infectious diseases: laboratory, clinical (adult and paediatric), public health, antimicrobial stewardship, and infection prevention and control issues. The program includes a selection of plenary sessions, state of the art clinical lectures, clinical vignettes and presentations, both oral and poster formats. These formats will allow ample opportunity for presentation of innovative scientific research with practical applications on contemporary issues.

The AMMI Canada – CACMID Annual Conference 2015 plenary topics are:

- Thursday April 16 – **Difficult to Treat Organisms**
- Friday April 17 – **Device Related Infections**
- Saturday April 18 – **HCV Elimination: Data, Dogma and Dollars**

The AMMI Canada – CACMID Annual Conference 2015 state of the art clinical lecture topics are:

- Thursday April 16 – **Anti-Vaccine Movement**
- Friday April 17 – **Laboratory Test Utilization in Microbiology: Where do we begin?**
- Saturday April 18 – **Innovation Academy**
