

GRAND RIVER HOSPITAL

Advancing Exceptional Care

Are you a Medical Lab Technologist looking for a new professional challenge? We are hiring at Grand River Hospital!

At Grand River Hospital (GRH), our people are essential! We're one of Ontario's largest community hospitals, providing patient-centred care to Waterloo Region, Wellington County, and Southwestern Ontario, and we couldn't do it without our 3,600+ highly skilled and dedicated team members, over 600 professional staff (such as physicians and midwives) and over 1,000 volunteers.

Grow your career at Waterloo Region's largest hospital and be part of a progressive organization full of great opportunities with a culture that values compassion, innovation, and a positive attitude. GRH is a place where you can truly make a difference – one patient at a time.

POSITION VACANCY: Medical Lab Technologist – Multiple positions; may be available in various Labs: Core Lab, Histology, Cytology, Clinical Microbiology, Transfusion Medicine

POSITION: Temporary and Permanent Full-Time and Part-Time positions available

QUALIFICATIONS:

- CMLTO / CSMLS certified Medical Laboratory Technologist or working towards certification.
- Candidates who have completed their Medical Laboratory Program and are awaiting exam results may be hired into an MLT position. These candidates will be hired under non-registered MLT status and will convert to MLT status upon demonstration of CMLTO registration.
- Proficiency in the use of Laboratory Information System using the Cerner Millennium module is preferred
- Proficiency in the use of MS office (Word, Excel, Outlook) preferred
- Molecular experience or formal molecular education is preferred
- Good performance track record
- Demonstrated commitment to learning and continuing education
- Good attendance record

Grand River Hospital is committed to fair and equitable employment and in our recruitment and selection practices. We strongly believe in inclusion and diversity within our organization, and welcome all applicants including, but not limited to: racialized communities, all religions and ethnicities, persons with disabilities, LGBTQ2S+ persons, Indigenous people, and all others who may contribute to the further diversification of our Hospital community. We are committed to providing and fostering a respectful workplace for all employees, free from violence and harassment. Grand River Hospital is a proud member of the Canadian Centre for Diversity and Inclusion (CCDI).

Upon individual request, the hospital will endeavour to remove any barrier to the hiring process to accommodate candidates, including those with disabilities. Should any applicant require accommodation through the application, interview or selection processes, please contact Human Resources in advance for assistance.
